# LA CAPRANERA AGLIANICO IGP PAESTUM

*La Capranera, located in Campania, focuses on making wine from sustainably-farmed indigenous grape varieties. La Capranera, which translates to "black goat" in Italian, is named for the breed of goats - cilentana nera - that graze in the national park near where the grapes for these wines are grown. Once on the verge of becoming extinct, the goats have had a resurgence in population, just as wines from Campania have recently enjoyed increased visibility internationally.*

Ripe blackberry and white pepper with rose petals. Vibrant and energetic, with wild berries and sage. Delicious with grilled meats, roasted vegetables and mature cheeses.
