

# FARINA BIANCO DI CUSTOZA 2021

## The Washington Post

"I could spend a happy summer immersing myself in the white wines of Italy. This delightful blend of garganega, trebbiano, fernanda, malvaxia, riesling italico, chardonnay and sauvignon blanc checks a few new varieties off my list. It boasts a creamy citrus character, as if lemon curd transformed into wine – accented with wild herbs. Delicious on its own, it's also wonderful with seafood salad or shellfish." -**Dave McIntyre, The Washington Post | May 25th, 2023**
