“A beautifully balanced wine that abounds in elegance and restrained richness, this wine offers enticing floral, almond and citrus aromas. The crisp, creamy palate brings nectarine zest, yellow apple, mineral notes and bread crust. Tight acidity and an intense, elegant perlage provide the framework. Drink now or hold for complexity.” –K.O.

“Delivering elegance and structure, this stunning wine opens with delicate aromas of bread crust, toast, dried fruit, pastry cream and nectarine zest that all carry over to the silky palate. It boasts a lovely depth of flavors that are exalted by tangy acidity and an ultrafine perlage. It's already enjoyable but will continue to develop complexity over the next decade. Drink 2016–2026.” -K.O.
