Meurgey-Croses Saint-Véran Clos de la Maison 2014: **90 points**

Meurgey-Croses Pouilly-Fuissé Vieilles Vignes 2014: **91 points**

Pierre produces wines that reflect the terroirs from which they come. His family roots from the Mâcon help him to find quality grapes from independent growers. He works with a single winegrower by appellation and climate which enables him to control the timing and conditions of harvest as well as transportation to the winery situated in Davayé, in the heart of Mâcon region. Working in a modern winery allows him to respect the grapes by limiting manipulation and intervention. With efficiency and organization he can vinify precisely and thus enhance the purity and freshness of the wines.
