Lia Tolaini-Barville

Alle cosé belle!

Dalia (or in Italian, from Lia) is nature's perennial gift from our vineyards to your table.

The vibrant blooms that last from mid-summer deep into autumn inspire Dalia Pinot Grigio as a symbol of **grace, strength** through change and **new beginnings** with a long future ahead. Much like the cheerful blooms, Dalia Pinot Grigio compliments life's **precious moments!**

Dalia Pinot Grigio hails from Northern Italy in the Veneto region where the protective shadows of the **Dolomite mountains** create the ideal environment for Pinot Grigio to thrive.

Whether big or small, Dalia is made for the moments worth celebrating. It pairs perfectly with a sunny afternoon on the back porch, and is the perfect wine for a toast at a full table with the ones you love. Dalia brings people together.

Dalia **pairs well with Life!**
