## The Selections

These premium wines from Cantina Terlano represent the very finest from our best vineyards and perfectly express the superb characteristics of each variety of grape. The vinification of the selected grapes in barriques and large wooden casks yields wines displaying a fruity richness as well as considerable complexity and longevity.

### Terlaner *Nova Domus*

**Riserva** A noble blend of Pinot Blanc, Chardonnay and Sauvignon Blanc, named after Terlano's famed "Neuhaus" Castle. It displays a wide range of aromas, an interesting interplay of acidity and harmonious full-bodied flavor.

### Sauvignon *Quarz*

As clear as the quartz crystals in the porphyry soil of Terlano, this voluminous Sauvignon presents a complex bouquet and an extremely mineralic and long lingering finish.

### Gewürztraminer *Lunare*

The name for this select white wine was taken from the fresco of the „Madonna Seated on a Crescent Moon“ seen in the parish church of Terlano. It has a soft, full-bodied and harmonious structure topped off by the pleasantly spicy Traminer aroma.

### Lagrein *Porphyry*

**Riserva** This wine is named after the volcanic rock which makes up the soil in this terroir on which our oldest vines are cultivated. It is characterized by a distinct berry aroma, a full, satiny and very long-lasting flavor as well as by a pronounced structure.

# The Vineyards

The harvesting of grapes from select zones in Terlan yields wines with a distinct character and pronounced suitability for lengthy storage. The grapes are pressed separately and allowed to mature in large wooden casks and in barriques.

## Classico

### Terlaner

Our historical cuvée, which has been made from the traditional Terlano grape varieties Pinot Bianco, Chardonnay and Sauvignon for the last 120 years, is a wine of great complexity.

### Pinot Bianco

#### Vorberg

##### Riserva

This complex Pinot Blanc displays soft tannins and a long finish with notes of minerals and salts. It has defended its position as one of Terlano's most ambitious wines.

### Sauvignon

#### Winkl

This elegant Sauvignon Blanc has been vinified at Terlan since 1956 and is characterized by an intense fruitiness, with balanced acidity and a dense structure.

### Chardonnay

#### Kreuth

This charming Chardonnay from the "Kreuth" vineyards displays a ripe aroma and a full-bodiedness typical for this variety of grape.

### Lagrein

#### Gries

##### Riserva

This indigenous variety of red wine presents an intense flavor with soft tannins and a pronounced fruitiness.

### Pinot Noir

#### Montigl

##### Riserva

This elegant Pinot Noir is characterized by complex berry notes and harmonious and lively tannins.

### Cabernet

#### Siemegg

##### Riserva

This full-bodied Cabernet presents peppery notes, subtle tannins and a considerable developmental potential.

### Merlot

#### Siebeneich

##### Riserva

This intense, complex and harmonious Merlot characterized by an elegant and long finish thrives in the renowned Merlot terroir of Siebeneich.

# The Classics

*Our classic wines are especially close to our heart. These wines are produced using traditional varieties of Alto Adige grapes, which give them a unique structure, complexity and density. These fruity varieties exhibit a panoply of aromas.*
