## GIGONDAS

### 2020

“Bright ruby. Displays ripe, spice-accented cherry and dark berries, along with hints of succulent herbs and spices. Juicy and expansive in style, offering well-concentrated red and blue fruit flavors and a touch of cracked pepper. Creamy tannins sneak in late and add a gentle grip to a long, spice- and floral-driven finish. All de-stemmed fruit and raised in concrete tanks.” - Josh Reynolds (January 2023)
