

RIVETTO NERVO

BARBARESCO DOCG 2020

"Here is a new submission from Rivetto dal 1902. The 2020 Barbaresco Nervo has a luminous ruby color and a generous bouquet with forest fruits, rose, licorice and crushed limestone. Congratulations to the team for what is a slender and elegant wine that shows the best side of Nebbiolo in a hot vintage that wasn't always easy. Eighteen months in Slavonian oak is about right. This wine is a terrific new surprise."
