

MARJAN SIMČIČ PINOT GRIGIO RAMATO CRU SELECTION 2022

"The wine moves with graceful complexity: red fruits and stone fruit notes glide into warming baking spices, while the old-vine depth provides a serious structural backbone. The texture tells the real story here, offering a richness that still maintains precision and energy. Those 46-year-old vines, rooted in that complex soil, speak clearly through every sip."

- Jeff Porter, July 2025
