

MARJAN SIMČIČ

MERLOT OPOKA

TROBNO CRU 2018

“Dark olives, fine tobacco leaves and a hint of cigar box with some cassis, ripe plums, chili chocolate and pencil shavings. Really poised and juicy with fine, polished tannins and a long, long finish. Precise and really balanced. Such a mind-blowing merlot from Slovenia. Drink or hold, but in five years this will really shine.” - *Zekun Shuai (August 2023)*
