

CHÂTEAU DOMPIERRE BLANC DE DOMPIERRE

Château Dompiere, created in 2013 by Michel Aroldi, represents a new venture in the heart of Bordeaux's traditional Left Bank. The estate departs from Bordeaux convention by adopting a Burgundian mindset—focusing on precision, terroir expression, and restrained winemaking. In a short period, Dompiere has gained recognition for crafting wines of individuality and finesse.

Michel Aroldi began his winemaking career by vinifying whites and learned a lot alongside his late and famous friend Didier Dagueneau. At Dompiere, he crafts a highly distinctive cuvée exclusively from Sauvignon Blanc, featuring citrus aromas in a style clearly reminiscent of Loire Valley whites.
