## TOR DI LUPO LAGREIN RISERVA

### ALTO ADIGE DOC 2018

"The Cantina Andriano (Kellerei Andrian) 2018 Alto Adige Lagrein Riserva Tor di Lupo is inky dark and impenetrable in appearance. The wine shows thickness and weight, although the fruit aromas are downplayed in this vintage. You get blackberry preserves and dark plum delivered in a less specific swirl of darkness, with some mild earth and spice sprinkled throughout. The wine's strongest suit is its mouthfeel, which shows deep layering and nice texture. Some 15,000 bottles were made." - *Monica Larner (September 2021)*
