PASSOPISCIARO CONTRADA C TERRE SICILIANE IGT ROSSO 2023

"It lifts with lovely, floral, perfumed notes of ripe raspberries, roses, and savory, fresh herbs. Medium-bodied, it exhibits great expressiveness on the palate, with mouthwatering salinity, a mineral-tinged, gripping texture, and a long finish. Finessed, it has compact intensity and a focused and linear feel, and its mineral persistence is incredible."
