

SANPOLINO

SAN POLINO BRUNELLO DI MONTALCINO DOCG RISERVA 2019

"A wine with complexity and beauty that makes you think and feel happy and serene. Orange peel and peaches on the nose and medium-bodied palate with wonderfully polished tannins. So much finesse and it goes on for minutes. Great wine. Balance at all levels. From organically and biodynamically grown grapes."

- James Suckling, December 2025
