

PALA STELLATO VERMENTINO ISOLA DEI NURAGHI IGT 2023

“

“... crushed stone, spice and ginger before taking on enriching aromas of raw almond, vanilla bean and apricot. It is texturally thrilling, weighty, fresh and spry. This has a nearly salty core of minerals to offset its opulent feel as crisp melon tones and notes of candied lime swirl throughout... The 2023 is geared for a beautiful evolution.”
