

# DONATELLA CINELLI COLOMBINI BRUNELLO DI MONTALCINO DOCG PROGETTO PRIME DONNE 2020

“...a slightly darker character with more savory tones compared to the already toasty classic Brunello from the same vintage. Made with organic fruit, the wine shows hints of fireplace soot, Viennese coffee and grilled herb over a full-bodied texture. The tannins are well managed and so is the acidity.”

Monica Lerner, November 2024
