

DONATELLA CINELLI COLOMBINI BRUNELLO DI MONTALCINO DOCG RISERVA 2019

“This is a rich and powerful Brunello with a little extra concentration and grit to keep you warm on a chilly winter’s night. ...The organic 2019 Brunello di Montalcino Riserva shows a lot of natural intensity with dried blackberry, baked plum and toasted almond shavings. The tannins are velvety and the wine remains quite structured throughout.”
