

DOMAINE DE SAINT SIFFREIN

CÔTES DU RHÔNE AU BORD DU CHEMIN

DOMAINE DE
Saint Siffrein

Domaine de Saint Siffrein was founded in 1880 and today is 5th generation family run. The estate has been farmed organically for 35 years and in 2012 they received official certification. Traditional winemaking practices continue to this day with some implementation of modern techniques.

Deep ruby in color, this wine shows a fruity and spicy nose. The palate is round, long and complex with abundant body and fruit as well as terrific purity and texture. Will pair nicely with many cuisines.
