## Domaine de Saint Siffrein Châteauneuf-du-Pape 2018

"Vivid ruby. Spice-accented cherry, blackberry and candied lavender scents pick up licorice and smoky mineral notes with air. Gently chewy, densely packed black and blue fruit liqueur and spicecake flavors are joined by a succulent herb nuance that builds on the back half. Dusty, even tannins add shape and grip to a long, floral-accented finish that echoes the dark berry note." —J.R.
