

ANDRIANO MÜLLER-THURGAU 2021

"Grown at elevations between 1,640 and 2,300 feet, this Müller Thurgau highlights Alto Adige's high class accomplishments in white wines. Aromas of tropical fruits, white flowers and sweet spices captivate the senses from the start. The palate is medium in body, with a lovely texture yielding opulent, but balanced fruit notes of roasted apricot and pineapple, with wild mint on the finish." - *Jeff Porter (July 2023)*
