

PHILIPPONNAT ROYALE RÉSERVE NON DOSÉ NV

#28 THE ENTHUSIAST 100 OF 2022

“The Non Dosé in the name means the Champagne is completely dry. However the ripeness of the fruit in the blend is such that the wine’s texture is generous and warm. That makes for a wine that is poised between a steely edge and ripe white fruits. Drink this bottling from 2023.” - Roger Voss (The Enthusiast 100: The Best Wines of 2022)
