

KOHA SAUVIGNON BLANC MARLBOROUGH 2023

“There’s no mistaking the variety of this wine with its bold aromas of lemon and grapefruit, apple and pineapple. A fresh herbaceous quality suggesting basil then jalapeño round out the bouquet. On the palate a crisp, dry wine with a backbone of acidity surrounded by flavours that reflect the bouquet. Balanced, well made and ready, just needs you. Best drinking from day of purchase through end of summer 2025.”
