

LA CAPRANERA AGLIANICO IGP CAMPANIA 2022

“The 2022 Aglianico Capranera is perfumed with violets and roses, giving way to crushed blackberries and hints of cedary spice. It’s soft-textured with ripe red and blue fruits and minty herbal tones, all guided by brisk acidity. Crisp and fresh yet still gently tannic, the 2022 finishes long and balanced, with a note of black licorice that resonates.” - *Eric Guido (March 2024)*
