TERLANO PINOT BIANCO TRADITION ALTO ADIGE DOC 2024

“

“The Alto Adige produces arguably the finest Pinot Bianco in the world. ...jasmine inflections to as yet closed pear and yellow peach aromas and a light waxiness. Balanced and with lovely acidity, it's quite fleshy but not fully open yet, showing some nectarine and flowers for now. Really good length, with that classic stony, salty finish.”

- Michael Garner, February 2025
