

BASSERMANN-JORDAN FORST RIESLING TROCKEN 2020

“Vibrant and energetic, with whiffs of smoke and petrol threading through snappy apple and white nectarine flavors, revealing saffron highlights. Packs a juicy, supple palate that works in harmony with lime-edged acidity, crushed oyster shell and a firming wall of wet stone. Drink now through 2030. 1,250 cases made, 700 cases imported.” - *Kristen Bieler (August 2023)*
