

CA'VIOLA BAROLO DOCG CAVIOT 2018

“A tasty, medium-bodied Barolo with red berries, nuts and spice on the nose and palate. The tannins are very fine and non-obstructive, so you might try this now, but better to give it another year, as it’s a little tight and restrained now. Try from 2023.”

- James Suckling (April 2022)
