

MONTECAPPONE

UTOPIA VERDICCHIO RISERVA

CASTELLI DI JESI DOCG 2021

"Medium intense yellow; aromas of lemon peel, beeswax and hints of apple peel and fennel. Medium-full with impressive concentration. There is excellent varietal character, outstanding persistence, very good acidity, beautiful freshness, and notable complexity. There is structure here that will ensure at least a decade of cellar potential. Very appealing now, this will peak in 12-14 years, perhaps longer." - *Tom Hyland (May 2023, Forbes.com)*
