

MONTECAPPONE

ROSSO

PICENO DOC 2021

"The 2021 Rosso Piceno is understated in the glass, mixing nuances of chalk dust and stone with crushed plums and strawberries. This glides across the palate with ease, soft and pleasantly soothing, while leaving lavender-tinged wild berries and sweet spices to mingle toward the close. The 2021 finishes fresh and with medium length, leaving pretty inner violet tones to linger on. There is so much balanced pleasure to be had from this blend of Sangiovese and Montepulciano." - *Eric Guido (July 2022)*
