RARITY

PINOT BIANCO 2010

"The 2010 Pinot Bianco Rarity is a model of purity. Its bouquet impresses with a brilliant blend of white peach and tropical citrus, perfectly offset by an enriching note of almond paste and sweet butter. While supple and round on the palate, there's an unbelievable amount of energy within, blending ripe orchard fruits with a zesty citrus tension. The 2010 finishes with impressive length, leaving a staining of minerality under an air of inner florals. What a beauty this is, and still with many years of development in store for patient collectors." - *Eric Guido (May 2023)*
