

# ANDRIANO FLOREADO SAUVIGNON BLANC ALTO ADIGE DOC 2021

"The 2021 Sauvignon Blanc Floreado is wild, with notes of sage, ginger, scallions (is this food or wine?) and zests of grapefruit rind. It's silky smooth and textural with a balanced inner sweetness and minerality to match, casting citrus-tinged apple and hints of nectarine across the palate. This tapers off crisp and clean with lemon oils and tropical floral nuances that whisper instead of shout. **I must admit to being completely smitten with the 2021 Floreado.**"
