## DEAETNA ROSATO

### ETNA DOC 2023

"The 2023 Etna Rosato deAetna is wickedly fresh, displaying a spicy bouquet of dusty dried flowers and hints of young peach. This is seductively smooth, with a stunning mix of minerals and zesty acidity giving way to notes of sour lime. The 2023 tapers off with a chalky concentration and a thrust of liquified flowers. There is a remarkable amount of character and complexity here." - *Eric Guido (March 2024)*
