

MARKUS MOLITOR

MARKUS MOLITOR KINHEIMER HUBERTSLAY RIESLING AUSLESE** (WHITE CAPSULE) 2018

...pure, precise and flinty on the nose that reveals intense and concentrated fruit aromas and refreshing phenolic notes that will oxidize with aeration during bottle aging. On the palate, this is a rich and intense, crystalline, vital and persistent Riesling with great expression and elegance. The finish is spectacularly long and fine. An impressive wine.
