

MARKUS MOLITOR

MARKUS MOLITOR ZELTINGER HIMMELREICH RIESLING KABINETT (GREEN CAPSULE) 2022

There's a green herbal edge to the fruit in this white, with pithy bitterness offsetting its core of ripe, fleshy plum and melon. Shows real mineral depth, too, offering the structure to go the distance in the cellar. A zesty element emerges, with smoke, white tea and cardamom notes, plus a pretty white meadow blossom detail. Long and well-built, with softened acidity gliding through the finish.
