

ANDELUNA 1300 CABERNET SAUVIGNON VALLE DE UCO 2021

“From Gualtallary, Uco Valley, the 2021 Cabernet Sauvignon 1300 was aged for six months in used barrels. Purple in color. It has an intense, attractively bold nose of redcurrant, hints of red bell pepper, black pepper and mint. This is a fruity, fresh wine with firm, reactive tannins and a refined texture. A characterful red.” - *Joaquin Hidalgo (September 2022)*
