

DOMAINE GRAEME & JULIE BOTT

CROZES-HERMITAGE

2022

“A well-rounded, textural and poised Crozes-Hermitage. Aromas of dark cherries, wafers, roasted meat and baking spices dominate on the nose. It’s medium-bodied with fine tannins. Vivid and full of verve on the palate. The juicy core of cherries combines with the lively spices. Such elegance and control, with a long, delicious finish. Drink or hold.” - *JamesSuckling.com (May 2024)*
