

PARUSSO MOSCONI BAROLO DOCG 2019

"Showing a medium-dark garnet color, the Parusso 2019 Barolo Mosconi (with 5,500 bottles made) reveals some of those distinctive aromas of skins and stems that are the hallmark of the house style. These give the wine a broader and richer profile that fits well in a generally more concentrated vintage such as this. Red rose petal, crème de cassis and dried cherry skin emerge from the bouquet. This wine promises a long aging evolution." - *Monica Larner (August 2023)*
