

PARUSSO BUSSIA

BAROLO DOCG 2019

"In the bottle with the dark brown label, the Parusso 2019 Barolo Bussia shows a slightly lighter garnet appearance compared to some of the other new releases from this producer. The Bussia (with 8,300 bottles released) reveals aromas of crushed rose, dried cherry skin, grape stems and tea leaf. Everything comes together with good intensity, and the wine delivers ample fruit concentration to the palate along with firm tannins. This wine will require patience and cellaring for sure." - *Monica Larner (August 2023)*
