## 2022 Fig Tree Sauvignon Blanc *Wine Creek Ranch | Dry Creek Valley* *Single Vineyard | Organically Farmed Estate Vineyard*

*Complex and aromatic, with dried honeysuckle, lanolin and honeycomb notes that complement the core of mango, peach and citrus. There are plenty of spice, smoke and litsea oil details, along with toasted green tea and fresh acidity on the finish. Drink now.*

*-MaryAnn Worobiec, Wine Spectator*

Wine Creek Ranch Estate is located at the confluence of two waterways: Wine Creek & Dry Creek. When Quivira's founders planted the site, in the spirit of Quivira's ethos, they preserved a gnarled, now 150 year old, fig tree that grows amongst the vines. For the Fig Tree Single Vineyard bottling, we look at two clones: Mondavi Clone 1 and Sauvignon Blanc Musque, to bring this wine's signature mineral freshness and aromatic lift.
