

RINALDINI LAMBRUSCO DELL'EMILIA IGT VECCHIO MORO

"The NV Lambrusco Grasparossa Vecchio Moro is a deep, dark purple color in the glass. It wafts up with a smokey display of blackberries, plums, rosemary and flowery undergrowth. Its silken bubbles wash violet-tinged red and blue fruits across the palate, contrasted by bright acidity and a buildup of salty minerals toward the close. Black currants, exotic spices and hints of candied citrus linger incredibly long through the bittersweet finale. **This takes Lambrusco to a more serious level. Well done.**"
