

MORO RINADINI AMABILE LAMBRUSCO DELL'EMILIA IGT

"The NV Lambrusco Amabile is dusty and floral with a bouquet of crushed violette candies and cinnamon-laced black currants. This wows the senses with a burst of inner sweetness that's perfectly offset by a wave of tart wild berry fruits and juicy acidity that maintain an energetic feel throughout. Hints of spiced orange and clove are left to resonate as this finishes unexpectedly fresh and perfumed. This is the perfect option for readers exploring Lambrusco's sweeter side. (Lot# L0011)" - Eric Guido (March 2023)
