

TENIMENTI RICCI BRUNELLO DI MONTALCINO 2017

“The Tenimenti Ricci 2017 Brunello di Montalcino shows an easy and subdued personality. This wine is not overdone, like some of its peers from this vintage. This rather calm and smooth expression starts off with purple and red berry flavors and then transitions over to spice, smoke, earth and crushed flowers. It shows a medium build with fresh acidity, good tension and a tart finish.”
