

TENIMENTI RICCI ROSSO DI MONTALCINO 2019

"The 2019 Rosso di Montalcino pulls you close with a display of minty herbs, flowery undergrowth, cedar shavings and hints of medicinal cherry. It's silky in texture, mixing savory berries and spice with brisk acids and just a hint of tannin that frames the expression nicely. Hints of tobacco and licorice linger on the lightly structured finish. While this is already enjoyable today, it may be even better after a year or two of cellaring."

- Eric Guido (January 2021)
