"The 2017 Chianti Classico Gran Selezione Monna Lisa is rich and textured. Dark cherry, licorice, tobacco and dried herbs all build in the glass. The 2017 offers quite a bit of density and plenty of power. The only thing missing is a touch of freshness, but, then again, this is 2017."

"Blackberries, dark mushrooms and dried flowers with some hot stones. It's full-bodied with chewy, polished tannins and a long, intense finish. Very structured and well done. One for the cellar."
