

GIOVANNI MANZONE BAROLO DOCG BRICAT 2017

“The 2017 Barolo Bricat is delicate, understated and very pretty. A quiet wine, the Bricat offers lovely mid-palate pliancy and depth. The tannins need to soften a bit, but that should not be an issue in another few years’ time. Sweet red berry fruit pomegranate and spice nuances flesh out nicely. This soft Barolo is not an obvious wine, but it will delight readers who appreciate finesse. I very much like the brightness and floral lift here.”
