## O JOIE

### FLEURIE 2020

“Canned Cru Beaujolais? Yes! Full of ripe blackcurrant fruit and with a healthy tannic backbone. Not lightweight, in fact it’s got excellent drive at the long self-confidently dry finish where there’s some stony minerality. Filled only in 250 ml cans. Drink now.” - *JamesSuckling.com* (February 6, 2023)
