

CORDERO SAN GIORGIO

PIASA ROSATO

PROVINCIA DI PAVIA IGT 2023

"The 2023 Piasa, 100% Croatina from Provincia di Pavia, is complex, sultry and engaging. Gorgeous cherry-red in the glass, the nose is understated, but the palate gives off a rush of super-tart cherry fruit, smoke, iron and graphite. There's a real impression of terroir here, which is so uncommon in the world of Rosé... A tinge of white pepper grip sits at the edges of the tongue, urging you to grab another sip before the bottle empties itself. Rustic and charming." - *Billy Norris (May 2024)*
