

Terracrua

Boccalino Bianchello del Metauro

Vineyard location: Pianelli vineyard (Fratterosa)

Hand harvesting with specific selection.

Vinification: Soft crushing of the whole grape bunches. Temperature-controlled fermentation in stainless steel tanks. Refinement in bottle for 3-4 months.

Grape varieties : Bianchello

Altitude : 400m ASL

Exposure : South-South East

Soil : Clayey-limestone soil

Alcohol : 12.5%

Tasting notes :

Notes of fresh fruit and spring flowers with a hint of elderflower. A medium-bodied white wine with balance that is very distinctive of the terroir.

Organic
