

Domaine Clos de la Chapelle

Meursault 1er Cru Charmes

Les Charmes is the largest of the Meursault 1er crus, producing white wines with natural opulence, and a gently honeyed, flowerly flavor with delicate nuttiness. It has less minerality than other major 1er cru vineyards of Meursault.

Notably, the lower part of the vineyard, where the Clos de la Chapelle climat is located, is reacting quite favorably to the hot, dry conditions associated with climate change.

Grape varieties : Chardonnay
