Tenuta di Trinoro

Le Cupole Rosso Toscana IGT

Le Cupole is the «second vin» of Tenuta di Trinoro and it stands side by side with this wine with a signature blend of Cabernet Franc, Merlot, Cabernet Sauvignon and Petit Verdot. This was the first wine to be produced at the estate together with Tenuta di Trinoro. A balanced blend of almost equal parts of Merlot and Cabernet Franc, with Merlot adding plush silkiness and Cabernet Franc contributing with its distinctive vibrant fragrance. The blend was completed with 14% of Cabernet Sauvignon and 6% of Petit Verdot.

Winemaking: Harvest usually begins in September with Merlot. Cabernet Franc and Cabernet Sauvignon followed in early and mid-October, with Petit Verdot finishing later in the month. Picking focuses on cooler hours of the day.

Fermentation took place in stainless steel tanks for 10-15 days at controlled temperatures. The single parcels spent 8 months in 225-liter barriques of different ages, then blending was carried out in concrete tanks where the wine was refined for another 12 months.

Grape varieties : 41% Merlot, 39% Cabernet Franc, 14%Cabernet Sauvignon, 6% Petit Verdot?

Soil : Clayey soils with the presence of limestone and other rocks

Tasting notes :
Bold, vibrant and immediately expressive. The wine bursts with layers of dark fruit, leather, charred herbs, lavender, and bittersweet chocolate, all delivered with impressive depth and energy. As Trinoro's second wine, it offers remarkable richness and character while remaining highly approachable in price.
