

Mending Wall

Cabernet Sauvignon Napa Valley

This wine expresses sophistication, depth, and a refined fruit/earth balance from a blend of selected barrels from the Mending Wall Estate and Tournahu Vineyard.

Aging: 50% New French Oak | Aged 20 months in barrel

Grape varieties : 100% Cabernet Sauvignon

Tasting notes :

The wine displays a completely opaque dark purple hue. Aromatic notes suggest cassis, forest floor, cigar box, and blueberry paste. The structured palate is densely layered with complex notes of baking spice, violet, black licorice, macerated black fruit, and crushed rock. A wine of precision and depth, this Cabernet Sauvignon is both powerful and poised — built to evolve gracefully over time, yet compelling in its youth.
